William Green - Son of Joseph Green,
born in Hamilton County, Ohio, in 1820,
he was 12 years old when the family settled
in Shelby Co, Ohio. After the death of his
mother and 2 sisters he returned to Hamilton Co.
with his father, he remained there and in
Cincinnati about one year. He then went to
Warren Co, where he worked by the day and
month, part of the time getting only \$4.00 per month.

In 1842 he married Phebe Elwell and they returned
to Shelby Co, Ohio - arriving the fall of 1842, with just
one dollar in cash left to commence life with.

With this cash capital they made their start,
he working by day's work for provision to live on
until they could raise some corn and potatoes.
From the beginning Mr. Green made a very
comfortable home for his family. Every dollar of it
made by their own hands, except 40 acres of wild land.

They raised a family of 11 children - Joseph,
Martha, John, * William Jr., Charley, Emerson, Albert,
George, Clara, Clarence and Justine.

In 1874 Mr. Green sold his farm in Cinisnore,
and bought one in Orange where he lived a rather
retired life. Besides the farm he owned 160 acres
in Franklin.

The same year they were married they moved to Ohio, and settled in Cincinnati, working for several years at the carpenter trade. Afterward he bought land in the western part of Hamilton County, on to which he moved and remained until 1832, then came to Shelby Co, and located in Dinsmore Twp., or what is now Dinsmore, as the Twp. was not organized at that time. The first election held in the Twp. was held at his house in the spring of 1833. At the time Mr. Green first came to the county, his family consisted of his wife and six children. That portion of the county was entirely un-improved; their cows had run in the woods for pasture. It was not long before they discovered that the milk sickness was in the neighborhood. Their cattle and hogs died from it. Several persons also died of the same, among them were Mrs. Green and two of their daughters. Mr. Green became discouraged, and determined to leave the country. So he returned with the balance of his family to Hamilton County in 1833, where he died in 1834.

In 1814 he married Rebecca A. Cattle, and that same year they moved to Ohio, and settled in Cincinnati, working for several years at the carpenter trade. At the time Mr. Green ^{first} came to the county, his family consisted of his wife and six children. That portion of the county was entirely unimproved, their cows had to run in the woods for pasture. It was not long before they discovered that the milk sickness was in the neighborhood. Their cattle and hogs died from the effects of it. Several persons died of the same, among them were Mrs Green and two of their daughters. YOUR FAMILY TREE

WHERE DO YOU BEGIN? Begin with yourself. Always proceed from the present to the past. Record your name, place and date of birth; marriage and residence. Now search out and record the same type of vital record information about your parents, then your grandparents, and so on through as many generations as possible.

Start gathering your information by interviewing older living members of your family. Family documents, certificates, licenses, Bible records, scrapbooks, and photo albums can be very helpful. The library will have many sources of data including genealogies, census records, directories, and military records.

LOCATING BOOKS. Most of the books in the collection are located in closed stacks, though some statewide finding aids, vital records, and other references are available for browsing on the open shelves in the reading room. You can identify the books you would like to use by checking the card catalog under the author, subject, or title of the book. Subjects would include the name of the family (e.g. MARTIN FAMILY), or the name of a geographic area, followed by a subject heading (e.g. AUGUSTA CO., VIRGINIA. BIOGRAPHY.) Please fill out a request slip for each book you would like to use and the books will be brought to your seat in a few minutes by the paging staff.

GENEALOGY SUBJECT HEADINGS--SOME PLACES TO LOOK IN THE CATALOG:

Atlases	Genealogy	Obituaries
Bible Records	History	Passenger Lists
Biography	Land Records	Pensions
Cemeteries	Maps	Probate Records
Census	Marriage Licenses	Registers of
Church History	Military Records	Births, etc.
Colleges	Names, Geographical	Schools
Court Records	Names, Personal	Tax Records
Deeds	Naturalization Records	Voting Registers
Gazetteers	Newspapers	Wills

LOCATING MICROTEXT. Microtext records are cataloged separately in the microtext reading room. Check the microtext catalog under the appropriate subject to get the roll number of the film you would like to use. You may get the microtext yourself, one item at a time. Please place all used microtext on the return cart for refiling by the staff. Aside from drawers marked census, city directories, military records, and passenger lists, be sure to check the lower half of the microtext catalog under the name of the state for county histories, vital records, or other courthouse records available only on microtext.

LOCATING PERIODICALS. Most genealogy periodicals are filed alphabetically by title in the open stacks of the department. Check the PERiodical Source Index (PERSI) on the reference shelves under the name of the family or the name of the state and county for a list of relevant articles.

County, Ohio. The historical importance for many of our pioneer burial grounds was overlooked. Fine old buildings give evidence of a community's past and of the kind of people who once lived there, but it is in the burial grounds of our communities that we find direct records of the people themselves. A number of our members are recording gravestones and burial records as a means of ensuring their continued testimony to the past.

Bill James Cook shares the following information about the Reformed Dissenting Presbyterian Church Cemetery. It was located on the southeast corner of Erie and Congress Avenues in Glendale, Ohio and site of the present Congress Avenue School. A Rev. Mr. Warwick was expelled from the congregation of the Mill Creek Presbyterian Church about 1798 or 1800. He formed a new type of Presbyterian Church called The Reformed Dissenting Presbyterian Church. Warwick built first a log church and then replaced it with a frame church. Warwick's was on the site of the Congress Avenue School. A cemetery grew up around this church. The church and cemetery were both abandoned in 1812. However, the remains of both were still there when Glendale came into being. They were destroyed when the school was built.

The family of Mr. Cook stated that there were some children of their family connections buried in this cemetery...being Glenn, Richey, Riddle and Sayer children. No record remains of this cemetery. Because there were the remains of churches and cemeteries on both the southeast and the northeast corners of Erie and Congress Avenues, his kinsman, E. R. Glenn would not allow the Glendale Association to sell these two locations for anything but school or public property usage.

At a meeting of the Directors of the Glendale held November 11, 1851 (present were Mess. Glenn, Taylor, Elliott and Fosdick) it was Resolved: That the Secretary record in the Minutes a Copy of the Plan submitted to the Meeting of Proprietors held the 7th inst. for disposing of a part of the Lots in Glendale.

Resolved: that in accordance with the spirit of the recommendation of the Proprietors of Glendale in the Resolution accepted by them November 7, 1851. The directors will for a consideration of one dollar cause to be conveyed to each of the proprietors that shall within the price [sic] one year from the first day of April, 1852, erect and complete a dwelling house of the value of at least Fifteen hundred dollars on the lot selected by them. Adjourned.

Reverse side: Resolved that Lot Numbered fifty-seven in Block No. 7, on the Plan of Glendale lying at the southeast corner of Congress and Erie Avenues be and the same is hereby appropriated for the use of Schools for the common benefit of the Citizens of Glendale forever.

Resolved: That Lot Numbered Sixty-six in Block No. 9, Glendale shall be reserved from sale for the present.

THE GREENE FAMILY OF PLYMOUTH COLONY.

By RICHARD HENRY GREENE, A.M., of New York City.

1. WILLIAM¹ GREENE came early to Plymouth, but no record of his arrival or previous residence has been found; his name is not in any passenger list; no record of his admission as a freeman appears, and no mention is made of him by Farmer or Savage. Even Amos Otis, the genealogist of Barnstable, seems to have been ignorant of his existence, for, in his notice of the marriage of the son, William Greene (1684-1756), and sketch of that family, Otis expresses his belief that the family ancestor was James Greene of Charlestown, the freeman of 1647. This may have been because James, the son of the latter, came to Barnstable about 1710, where he passed the latter years of his life, and died about 1731. Otis also supposes Isaac Greene of Barnstable, who removed to Falmouth in the same county, to be a connection of the same family. The idea that William Greene of Barnstable was a descendant of James has been generally adopted by others, and the writer was led to accept it, with the rest, publishing it in a foot note on page 67 of the Todd Genealogy, in 1867. At that time it could not be disproved, but subsequent investigation of the lines of each of the Greene families of Massachusetts and Rhode Island, brought the conclusion that there was no connection between William and any of them. In 1886, a query in the REGISTER, to learn William Greene's parentage, was made without success, but in 1898, present conclusions were reached, and a suggestion of the line printed in the New York Genealogical and Biographical Record, Vol. XXX, page 54. The discovery later of the mar-

riage and death of the first William Greene, on the records, seemed to establish the fact that he was the first of this family here, and founder of the Greene family of Plymouth Colony.

Otis also confuses the name with Groom, a mistake one familiar with old manuscripts should not have made, the error undoubtedly arising from the similarity between the old style "e" and an "o." The final "e" was dropped in the third generation, but some have since resumed it.

I believe Otis also errs in supposing there is any connection between the families of William of Barnstable and Isaac of Falmouth.

The name of the emigrant ancestor, William Greene, is identical with that of one of the second Virginia company of merchant adventurers, who began the Plymouth plantation, though he was out of it in November, 1626.* Captain John Smith speaks of the great losses sustained in the enterprise,† and William Greene may have been among those who had retired after losing their original investment. What more natural than that one, or the children of one, who had been sufficiently interested in the settlement to invest and lose money, should follow the settlers to the colony,—certainly Timothy Hatherly and Thomas Weston did.

William¹ Greene seems to have been broken in health, if not in resources, and this may explain his want of prominence here. He married, after coming to New England, and as early as 1683, Elizabeth,⁸ daughter of Nathaniel² and Sarah (Walker) Warren, who was born 15 September, 1654, and survived her husband, living until 1690 or later. Nathaniel² Warren was son of Richard¹ Warren of the *Mayflower*. (See REGISTER, Vol. 55, pages 76-7.)**

The "Plimouth Towne Booke for births, marriages and burials" has this entry on page 9: "William Green sone of William Green and Elizabeth his wife was born the 24th of Aprill 1684." The earliest mention which I have found of a William Greene is in 1673.

William¹ Greene died soon after the birth of his son and only child, on October 7, 1685.†

2. WILLIAM² GREENE, Jr., born in Plymouth, April 24, 1684, was left an orphan in his childhood. He seems to have been dependent on his maternal grandmother, who survived until November, 1700. He lived in Barnstable, and was married first, probably by Rev. Ephraim Little, in 1709 (two dates being given, March 25 and April 9), to Desire, born March 15, 1688 or 1689, daughter of John Bacon, Esq. Her mother was Mary, daughter of Captain John and Desire (Gorham) Hawes,‡ of Yarmouth.

Desire, wife of William Greene, died December 29, 1730, aged 41; and he married second, September 1, 1731, Mary Fuller, granddaughter of Samuel Fuller of the *Mayflower*. She died October 23, 1756, and he died January 28, 1756, "aged over seventy."

The children of William and Desire were:

3. i. MARY,³ b. March 8, 1710; bapt. Sept. 5, 1725.
4. ii. WARREN, b. June 9, 1712.
5. iii. DESIRE, b. Oct. 24, 1718.
6. iv. WILLIAM, b. July 17, 1721.
7. v. SARAH, b. Dec. 27, 1723.
8. vi. JOHN, b. April 12, 1726.
9. vii. JAMES, b. Sept. 17, 1728.

3. MARY² GREEN (*William*,² *William*¹) was born March 8, 1710, which birth date does not appear in Otis. There has been much controversy as to whether she was the Mary Green who married, December 11, 1760, Thomas Smith of East Haddam. This last Mary Green came from Middle Haddam to the Church at Millington, East Haddam, and died January 2, 1810, aged 75 yrs., 7 mos., 2 dys., and, if correct, she was born in 1734, and could not have been this Mary. Her husband died September 17, 1821, aged 83, which would make him her junior. They had children, one of whom, Benjamin, was born November 16, 1761, and was wounded at Brandywine, 1777, as a soldier in the Revolution. Their last children were twins, born in 1772. The late Dr. D. Williams Patterson at one time thought she was a child of William² Green and his second wife, Mary Fuller; but the compiler is unable to decide where her true place is, although she was evidently of this family.

4. WARREN⁸ GREEN (*William*,² *William*¹), born June 9, 1712, married March 14, 1734, Nancy Paine of Eastham. He removed to Middle Haddam, Conn., and later to Middletown. The Middletown records give his wife's name as Mary, and the family claim that his marriage was to Mary Paine, and not Nancy. It would seem that he was living in the immediate neighborhood of the church at Middle Haddam, from the fact that two of his children were baptized on the very day of their birth. The birth record does not appear in the case of Elizabeth, Benjamin and Hannah, but the church records have the baptisms. The tradition that he and his wife were buried at Saybrook has not been confirmed. In May, 1761, Warren Green was appointed Ensign of the 14th Company, Sixth Regiment, Connecticut Militia. It is not known if he accepted or served. Mary³ Green, before mentioned, may belong among his children, but there is no record of such daughter.
 His children, as recorded, were :
 - i. DESIRE,⁴ b. in Eastham, Mass., Jan. 14, 1735; m. Philip Goff.
 - ii. ELIZABETH, bapt. in Middle Haddam, Conn., July 5, 1742.
 - iii. BATHSHEBA, b. and bapt. in Middletown, Oct. 23, 1743; m. Stephen Hosmer Caswell, Oct. 3, 1763.
 - iv. SARAH, b. and bapt. in Middletown, Sept. 22, 1745; m. David Dimock, Oct. 5, 1767.
 - v. WARREN, b. Aug. 3, bapt. Sept. 6, 1747, in Middletown; m. Lucy Brainerd.
 - vi. BENJAMIN, bapt. July 2, 1749.
 - vii. HANNAH, bapt. Oct. 6, 1751.

5. WILLIAM³ GREEN (*William*,² *William*¹), born July 17, 1721, removed to Chatham, Middle Haddam Society, July 25, 1742, that being the date of his dismissal from the church at Barnstable to the church at Middletown; hence it is concluded he was not the man who married Mary Conant at Barnstable in October, 1745. He married first, at Middletown, June 28, 1750, Marcy Knowles, who died June 29, 1768, aged 38; and he married second, January 25, 1770, Elizabeth Young of Middle Haddam. He died of consumption, August 15, 1775, aged 53. His widow died of small-pox, February 24, 1778.

His children by first wife, as recorded in Middletown, were :

- i. MARCY GREEN,⁴ b. July 12, 1751; d. Aug. 12, 1752.
- ii. EUNICE GREEN, b. Jan. 7, 1753.

Children by second wife, recorded in Middletown :

- iii. WILLIAM GREEN, Jr., b. March 8, 1771.
- iv. ENOCH GREEN, b. May 18, 1772.

6. JOHN⁸ GREEN (*William*,² *William*¹) was born April 12, 1726. The compiler has sometimes thought he came to Middletown, as did his two older brothers, but is not prepared to say the John, Jr., on the Middletown records, who married Rachel Higgins, November 23, 1758, and had sons Joel and John, was this man. William⁴ and Enoch,⁴ two sons of William⁸ Green, were brought up by their uncle, Captain James Green, at East Haddam; and there was also constant intercourse between the families of Warren⁸ and James,⁸ but nothing can be learned of any between the latter and John or any of his family.

7. JAMES⁸ GREEN (*William*,² *William*¹), born September 17, 1728, lost his mother when he was two years of age. His father married again, before James was three years old. When he was fourteen, his older brothers removed to Connecticut. There is no way of determining exactly when he followed them, but he bought land in East Haddam, Conn., in 1758, and had married there four years earlier. Otis, in his *Barnstable Families*, says he "was a blacksmith, and a Captain in the French War." That he was in that war is admitted, but in what regiment or capacity does not appear. The legislature of the province commissioned him lieutenant of the troop in Spencer's regiment. This indicates that he was recognized as a man of military experience. He married, February 13, 1754, Ruth Marshall, who was born at Freetown, Mass., April 1, 1737, daughter of John and Elizabeth (Winslow) Marshall.

John Marshall was son of Thomas, the son of Capt. Samuel, who was killed in King Philip's War, Dec. 19, 1675; and Elizabeth Winslow was daughter of Lieut. Job, son of Kenelm of Marshfield.

James⁸ Green had a forge and blacksmith shop at Moodus Landing, East Haddam, and was also licensed to keep the public house called the "Smiths Arms," which stood at the top of the terrace facing the Connecticut River.

The writer contributed sketches, many years ago, in which was set forth his many purchases of real estate, and the civil offices held by him; but as these have been published as Chapters II. and XVI. in "Old Chimney Stacks of East Haddam," they will not be repeated here.

He was commissioned, March, 1774, by the Provincial Assembly, Captain of the First Troop of the Twelfth (Conn.) Regiment; and held his rank through the Revolutionary War, serving in the Second (Conn.) Regiment, Light Horse, at the battle of White Plains; and with Maj. Elijah Hyde's same Regiment at the capture of Gen. Burgoyne and the battles around Saratoga.

The story is told that on Oct. 28, 1776, while Gen. Washington and some of his officers were reconnoitering a height with a view to fortifying it, near White Plains, the Light Horse from the outposts reported the advance of the enemy, and Capt. Green, failing to

find Gen. Washington at headquarters, sought him out and personally communicated the important news.

It is also of interest that Nathan Hale, while teaching school at East Haddam, in the winter of 1773-4, lived in his family.

He was selectman, and often moderator of town meetings, for many years; was chairman of the board to make the town's quota for troops; and held other offices. When the government was established, he was chosen first postmaster. He died March 11, 1809; and his widow died November 27, 1816. They were both buried in the Riverside Cemetery.

Their children, born in East Haddam, and baptized at the First Orthodox Church, were:

- i. HANNAH,* b. March 14, 1755; d. July 2, 1833.
- ii. RUTH, b. May 12, 1756; d. Jan. 21, 1791.
- iii. JAMES, b. April 8, 1758; lost at sea, about Dec., 1784.
- iv. WILLIAM, b. Aug. 26, 1760; d. in the Revolutionary War.
- v. BENJAMIN, b. Aug. 31, 1762; d. July 31, 1828.
- vi. RICHARD, b. March 10, 1765; d. Feb. 8, 1848.
- vii. ANN, b. Feb. 13, 1768; d. Nov. 11, 1855.
- viii. TIMOTHY, b. Aug. 31, 1771; d. March 19, 1775.
- ix. OLIVER, b. Aug. 16, 1773; d. Jan. 2, 1848.
- x. TIMOTHY, b. July 3, 1776; d. June 15, 1853.
- xi. WILSON, b. July 10, 1780; d. at sea, in 1801.

Of the above children, Hannah, Benjamin, Richard, Ann, Oliver and Timothy left descendants.

William Greene, the emigrant ancestor, has descendants, of the sixth to ninth generations, living in various States, but few of them have remained in Connecticut, and none in Plymouth Colony.

Hallo:

Dad Green's cousins name is Mrs. Willis Hall, 168 Ludovic, Wilmington, Ohio, 45177. I only hear from them at Christmas time & it is one of those form letters. I know her health has not been too good the last few years but she was still around this last Christmas. Willis was a professor & Hortense a Librarian in a college in Wilmington for years. They loved to travel & looked up anything that had to do with history. They followed the Lewis & Clark route one year. I hope you hear from them. Her name was Johnson & she

was a Green. I hope you hear
from them.

We might start out to see
your Dad in about a week.

Good Luck.

UNCLE SAM—MARINE***Motor Convoy Drivers***

Selected marines are trained for motor convoy duty. They learn to drive the big trucks that transport troops. After they know how to drive and to make necessary repairs, they learn the rules of the road. When traveling in a procession on the road they are taught to always maintain a certain rule of distance between the trucks, a distance equal in yards to three times the speedometer reading. (For example, if the speed is 30 miles an hour, the distance between trucks will be 90 yards.) This reduces the chance of jamming at turns and also reduces the danger of attack from the air. It lessens driver fatigue and cuts down wear on brakes, tires and clutch. At night, when driving without lights and with tail lamps hooded, each driver is made responsible for the direction taken by the driver directly behind him.

soldiers, sailors, marines, airmen and civilians
in training for NATIONAL DEFENSE.**

N. B.—WRITE PLAINLY, WITH UNFADING INK—THIS IS A PERMANENT RECORD. Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important. See instructions on back of certificate.

REVISED UNITED STATES STANDARD
CERTIFICATE OF DEATH

[Approved by U. S. Census and American Public Health Association]

Statement of occupation.—Precise statement of occupation is very important, so that the relative healthfulness of various pursuits may be known. The question applies to each and every person, irrespective of

coma, etc., of _____ (name origin; "Cancer" is less definite; avoid use of "Tumor" for malignant neoplasms); Measles; Whooping cough; Chronic pulmonary heart disease; Chronic interstitial nephritis, etc. The contributory (secondary or intercurrent) affection need not be stated unless important. Example: Measles (disease causing death), 29 ds.; Bronchopneumonia (secondary), 10 ds. Never report mere symptoms or terminal conditions, such as "Asthenia," "Anæmia"

COUNTRY CLUB ACTIVITIES

A pleasing schedule of weekly social events to be held at the Country Club has been arranged and it is expected that every member will find at least one of these affairs that particularly appeals to him.

A dinner dance will be held each Tuesday and the interest already shown seems to predict that this affair will be a real success. Dinner followed by dancing in the evening.

Wednesday will be ladies day. Luncheon will be served and there will be golf and tennis for those who care for it in the afternoon. There are more ladies playing golf this year than ever before. They realize that golf is no more a man's game than it thirs and they anticipate the development of some good players among themselves.

The entertainment committee has asked that every member who wishes to attend either of the Tuesday or Wednesday affairs to make their reservation in advance. This must be insised upon because arrange-be impossible to accommodate those with the reservation list and it will be impqsible to accomodate those who carlessly neglect to send in their name.

Thursday will be picnic day and a chance for the children to have lots of fun. The members will bring their picnic baskets full of good things to eat and the children will run around and play while the grown ups amuse themselves as best suits their fancy. This is just simply an informal, get together affair.

Disabled American Veterans
2011 Hero's Hero
Lucille Green
family

This authentic 2011 Coat of Honor is given to your family recognizing your steadfast support and loyalty.

The Forget-Me-Nots were chosen to represent your tradition of supporting our nation's wounded.

The Daffodils personify new beginnings, joy and happiness that you have brought into millions of lives.

The Torch is to honor your grace and strength that welcomed us home.

The Flag is a symbol of faith reminding us that as Americans we never give up.

May you always dream, be surrounded by love and be inspired by the hope you give to others.

Lucille Green

4320 Trier Rd.

Fort Wayne, IN 46815-4848

Dear Lucille,

Have you ever had anyone in your life do something so unexpected, yet so kind that you had no idea how you could ever repay them?

That's how I feel about you, Lucille. If I could walk up to your house, knock on the door, tears in my eyes, salute you, I would say...

"Lucille, thank you...thank you for being a "Hero's Hero".

You see, my whole world changed forever in one horrible second when I was serving our country in Vietnam. I stepped on a land mine, and in one deafening explosion, I lost both of my legs and my arm.

I came home a broken man. I had no idea how to put together the shattered pieces of my life. I was afraid.

Until I found the DAV and the kind nature of Americans like you, Lucille!

The compassion and steadfast support you have for someone you've never met is unbelievable. I hope you know that you most likely saved my life.

Which is why I wanted to take the time to reach out to our most loyal supporters in Indiana, to say "thank you" by sending you something really special this year...a personalized Coat of Honor, welcoming you and yours to "the family".

As a family, it is important you know that I don't write you today with any "expectations". I truly wanted to take the time to say "thank you" and let you know we're all humbled by your generosity.

Unfortunately, our work isn't done. More and more disabled vets are coming home from war in desperate need of help (there are 57,069 in Indiana alone!)

Your gift of \$7 or even \$15 is urgently needed today to meet the rising need for DAV services for the almost 3 million disabled veterans in America. (In 2001, there were less than 2 million.)

These numbers are staggering. So many need us. I remember one of the most painful memories to me was lying in a VA hospital bed and asking myself, "has my sacrifice been in vain? Do people remember what I've done for my country, or has it been forgotten?"

The simple act of kindness, sending in your gifts, lets me and my fellow disabled veterans know we have not been forgotten. And in return we promise we will never forget you...or your generous gift. You are family to us now, so please do us the simple honor of accepting your Coat of Honor.

This is a free gift to you. Please hang it on your wall knowing it was designed carefully with gratitude and love.

The blue flowers at the top of your Coat of Honor are forget-me-nots. The idea of the little blue flowers came from an image carried home in the memories of soldiers from the First World War who had seen spring flowers growing on the graves of their comrades killed in fighting. So every single time you walk by, see those flowers and know your support will never be forgotten.

Right now, we are struggling to hold our own. With the increased number of vets returning from the Middle East, we urgently need to increase the DAV services to disabled vets and we need to do it now.

Please do what you can. I have faith 2011 "Hero's Hero" Campaign will be successful. You were there when I needed you most. You never gave up on us, and I promise we will never give up on you.

With very grateful appreciation,

Dennis A. Joyner
Campaign Chairman

P.S. Please enjoy the enclosed stationery and personalized address labels. With the labels DAV has included monogram stickers so that you may personalize the letters that you write.

Dear Lucille,

Your application for First Families of Fort Wayne and Allen County, Indiana has been accepted. Six applications were received for you, David Green, Lonnie, Jason, Lisa and Kelsey Peters.

All that is needed to complete the documentation is Raleigh Keller's date of birth from his marriage application and a marriage record for Emanuel Diffendarfer. I'll check the civil war pension index and if Emanuel is listed, will call you with the information so that you may order his papers.

The certificates will be awarded June 14, 1995, at the ACGSI dinner meeting at Lester's. Further information will be provided about June 1st.

The Society wishes to thank you for participating in this project. We are pleased to accept your family information for inclusion in our First Families of Allen County.

Sincerely,

Margery Graham

Descendants of settlers sought

By **ANDREA MUIRRAGUI DAVIS**

of The News-Sentinel

The Allen County Genealogical Society wants to honor area pioneers during the city's bicentennial celebration next year.

It's sponsoring First Families of Fort Wayne and Allen County, a program that will recognize families who can prove they are descendants of pioneers who settled in the county before Dec. 31, 1850.

The group is looking for descendants of the common families as well as the more well-known ones, said Margery Graham, society president and program chairperson.

"Not every pioneer was famous," she said. "We want to hear from the families who dug the canals and laid the roads.

This could be a fountain of history of this county."

Anyone interested in the first family recognition has to prove descent through birth certificates, marriage certificates and census records. Certificates authenticating the honor will be awarded during the Great Lakes Genealogy Conference in Fort Wayne next August.

Applications are available in the genealogy department of the Allen County Public Library, 900 Webster St., and by sending a large, self-addressed, stamped envelope to the Allen County Genealogy Society, P.O. Box 12003, Fort Wayne IN 46862.

A \$10 fee is due with the completed application and documents proving descent.

The deadline is March 31, 1994.

Dear Lucy,

I have been remiss in not sending this sooner and I apologize. Enclosed please find a copy of the photo taken at our Good Shepherd golf outing in August 11 of the sign proclaiming you a hole sponsor in memory of Base. What a great tribute to a great guy! We all miss him!

Despite of what you were told, I have an authority of two guys I trust (Elmer & Jerry Sech) your sign was placed at Hole #1 as you had asked. In a golf tournament such as ours, everyone but two teams begin their game at a hole other than #1, but eventually all make it there before the end of the day!

Thank you for contributing to the success of our golf outing.
On behalf of Good Shepherd & the golf outing committee,
Pauline

Went to a physical therapist today and she was hopeful that she could help Jas. Stated that the trapazoid muscle is very tight and can cause pain going into the head. Gave him several exercises to do and stated that it could take quite some time because the muscle is so tight. She noticed that would hold his head at an angle and even his shoulders are not the same height! Will keep you posted on his progress. Love, Lonnie

Lucy-

I'm sorry to have not answered you before. I have been up to my eyeballs since session started. This is my last session and I have had a lot on my table.

You are so kind in your comments and I remember you and Buss well. It was a eye opening experience to see the way you and Buss were handled by the oil company. It is sad when hardworking individuals have either the pressure of the Franchiser, or the power that they have over the franchisee.

I appreciate you remembering me and saying what you did. Sometimes it is hard to have the public understand issues that legislators are involved.

I wish you the best and hope my replacement continues to serve you and the other constituents in a honorable manner.

Tom,

2-12-2014

You have done a wonderful job working for Indiana residents for a long time.

I am Buss Geen's widow (Lucy) and we used to see you in Indy.as well as Ft. Wayne when Buss was involved in the ISSDA of Indiana.He was there one time when Dan Coats helped our group get some Legislative work passed. Buss was one of the signers.

Anyway I just wanted you to know Buss would have been so pleased with the many times your votes helped us in, not only Ft. Wayne, but all of Indiana.

PS: I say yes to all the questions on your "2014 Legislative Session Update.

As for buses-private (such as homeowners, churches along with school buses should all be required to have seat belts.

Thank you and God Bless,
Lucy Green

OTHER GREEN FAMILIES

In the same time period that William I and Dinah Green lived in the area now known as Berkeley Co., W.Va., another family of Greens also lived there.

A John Green, relationship, if any, unknown, supposedly came from England before the Revolutionary War. He served four years in the army, and died of an accident in the woods. His wife's name may have been Slane. There was a family of four children, Thomas, Martha, Elizabeth and Nancy.

Thomas was born in 1784 in Hampshire Co., Va., but was married to Margaret Jobe, the daughter of Thomas and Charity Jobe, in Berkeley Co., Va., April 22, 1808; Martha married Jesse Jury and Charity married Thomas Rees.

Thomas and Margaret Green, along with her sister Martha and husband Jesse Jury, came to Ohio, settling in what is now Highland County.

The last known descendant of this John Green is Mrs. Mary Francis Parrett, daughter of Frank L. Green, Bloomingburg, Ohio, 43106.

Another Green family, relationship, if any, unknown, but with definite ties to the families of Regnal I's sons John I and Allen I, of Lancaster, Fairfield Co., Ohio., were four Green Brothers from Pennsylvania, who arrived in Lancaster in 1805, shortly after Regnal I and his families had settled there.

The four brothers were Jacob, whose wife's name was Sarah; Timothy, whose wife was named Effia, they had no children; William, was married to Sarah Courtright, and Joseph A., whose wife's name was Sarah Ann.

Several sons and daughters of the above Green brothers married into the families of John I and Allen I.

The names John, Thomas, Jacob, Joseph, William, Nancy, Elizabeth are all "Family" names, in fact, other than Joseph, Regnal I, included each of the names in his own family, and he had had a brother named Joseph, so while no connections have so far been found, the occurrence of names so closely associated with "Family", at least suggests a relationship could have existed.

Dear Mr. Green:

Thank you for your letter of February 25. Before answering I did a bit of preliminary research at the Historical Society of Pennsylvania in Philadelphia. I found in the published Penna. Archives that one George Green, who seems to have been the "Liver" passenger, was in Kent County, now Delaware. In the published abstracts of Kent County Wills there is a copy, made 29 December 1720, of the Will of George Green. His heirs were sons Thomas, George and John. Executors were wife Rachel, son George and son-in-law John Welles. Lib. D, fol.36.

Duck Creek Monthly Meeting was the earliest one in Kent County. I checked the abstracts of this Meeting but did not find George Green. Nor did I find him in the early Philadelphia Meeting records.

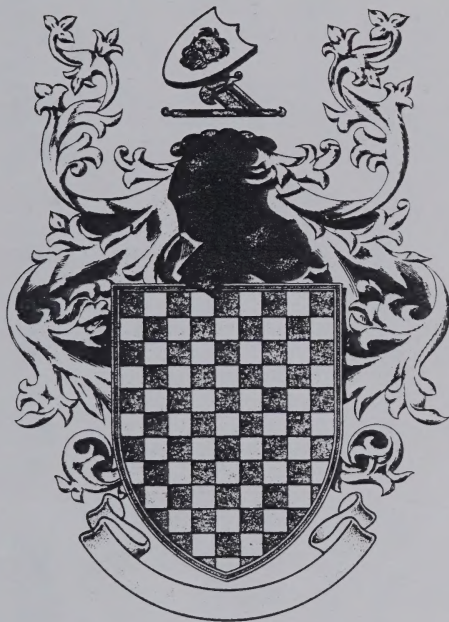

As an accredited genealogist I charge \$10.00 an hour for research. I feel that you should find more about your ancestor, William Green, before continuing the search in Quaker records. The Lancaster area was not settled at that early date, so I am sure we would not find George Green there.

This is an interesting problem and I wish you the best of luck. If you think I can be of help at a later date please let me know.

Sincerely,

Maddalena Hawlone

Greene Green

Just as the name Green is one of the most common names in England, so it became a common English rendering of several Gaelic family names, first through similarity in sound and secondly through literal translation of the Gaelic word into its English equivalent.

The Norman family who settled in Ireland, mainly in Dublin, Waterford and Limerick, had their name, DeGrene, gaelicized as DeGraoin. Like most of the early Norman settlers in Ireland, these became so closely identified with Irish interests and customs that their lives merged into those of their Celtic friends and neighbors.

Greene is an anglicization of an ancient Irish family name O'Huaithnin who were a Dalcassian family of Thomond. It is also the English rendering of another Gaelic family name of O'Huainidhe, a County Cork clan who were liegemen and followers of O'Leary of Corca Laoighdhe. An entirely distinct Ulster Clan, whose Gaelic name was McGlashan, had this Irish surname rendered in English as Greene.

This accounts for the wide distribution of the name in Ireland, as well as its numerical frequency in the United States and Canada.
